# Salem Unplugged Week: Island Dreams

§ Kids pledged to unplug from TV, movies, gaming, etc. for one week.

§ Pledges could be made in person or online.

§ Children who kept their pledges came to the Kids' Late Night event on a Friday evening from 6:30 - 10 pm.

The program was open to preschoolers through teens, though mostly elementary age children participated.

§ Staff and volunteers were at different activity stations throughout the library ranging from crafts, to face painting to a dress-up photo booth.

§ The Teen Advisory Board (TAB) provided live entertainment, monitored Pineapple Bowling and the Snack Shack.

§ Paradise of Samoa, a local children's dance group, performed in Loucks Auditorium.

§ Next year, Youth Services plans to do a similar program with a different theme.
