

# Gone Fishing Craft Recipe

## Ingredients:

- One fish pdf
- Eleven small sticker magnets
- One 24 inch piece of string
- One popsicle stick
- One wooden washer
- Laminate fish if you like

## Directions:

- Cut out fish numbered 1-10.
- Stick magnet on top of each fish.
- Tie string to popsicle stick.
- Tie the other end of string around wooden washer.
- Stick the last magnet to bottom of washer. This is now your fishing rod!
- Place all magnetized fish on floor.
- Ask your child to find different numbered fish.
- Use the magnetized fishing rod to catch the fish!
