

WINTER PENGUIN CRAFT RECIPE

Children will love making penguins by tracing their hands and feet! Measuring skills and reading about penguins is a nice way to stretch this craft!

Ingredients

- One sheet blue paper
- One sheet black paper
- One sheet white paper
- Kid friendly scissors
- White crayon for tracing
- Gluestick
- 2 googly eyes
- Crayons

Recipe

- Using white paper cut out a snowy hill.
- Glue snowy hill to blue paper.
- Trace hand and foot with white crayon on black paper and cut out.
- Glue hand and foot on top of snowy hill.
- Using the rest of white paper, cut out two penguin bellies, two small triangles for the beaks, and scarves.
- Color beaks and scarves.
- Paste bellies, beaks, and scarves to each penguin.
- Add googly eyes.
- Draw snowflakes with white crayon.
